Subject: [Calls for Expression of Interest for Peer Review] Hydrogen Council Template

Dear members of WG Hydrogen,

Thank you for joining the joint workshop today with Hydrogen Council.

My apologies to those that may have had trouble accessing the link to the meeting and could therefore not join.

The Hydrogen Council has extended the opportunity to members to peer review the template for ship delivered hydrogen contract. In order to access the document, members need to send an individual expression of interest to the **Legal Committee Secretariat**.

Members will have around three weeks to review and comment on the document. So, to leave sufficient time, please let us know as soon as possible whether you would like to be involved in the process - thank you.

If you have any questions, please do not hesitate to get in contact.

Best wishes,

Róisín Campbell
